Oak Tree Labour Hire
Deidre McGowan
Christchurch

Hi Deidre,

I thought I would put in writing points from our discussion a few weeks ago. I mentioned to you how satisfied we were at PGG Wrightson Turf when we used two of your staff to unload a container of mulch. Please find below the pleasing aspects displayed from your companies staff.

- Punctuality
- Professionally Presented
- Efficient
- Friendly & Well Mannered
- Ease of organizing from my first phone call to Gay

I hope you pass on my comments to your staff, as staff and management should be very proud of your work standards. I will not hesitate to use Oak Tree Labour Hire when the need arises.

Kind Regards
