To Whom It May Concern:

Re: Oak Tree Labour Hire

Late in 2003 Opzeeland Transport (Hornby) Ltd engaged the services of Oak Tree Labour Hire to assist with the de-vanning of loose stowed product in containers. The task proved successful and we have continued to employ their services when outsourcing labour.

Oak Tree Labour Hire has always responded positively to our requests, even when given limited notice, and we have found the de-vanning service to be consistently reliable. Oak Tree Labour Hire personnel have responded promptly when any minor quality control issue has arisen.

Overall we are happy with the service Oak Tree Labour Hire provides.

Yours faithfully
